

HOW TO CONFIGURE REMOTE RESOURCES ON MAC OS

1) Download Microsoft Remote Desktop from the APP Store [HERE](#)

Microsoft Remote Desktop 10 4+

Use the new Microsoft Remote Desktop app to connect to a remote PC or virtual apps and desktops made available by your administrator. The app helps you be productive no matter where you are.

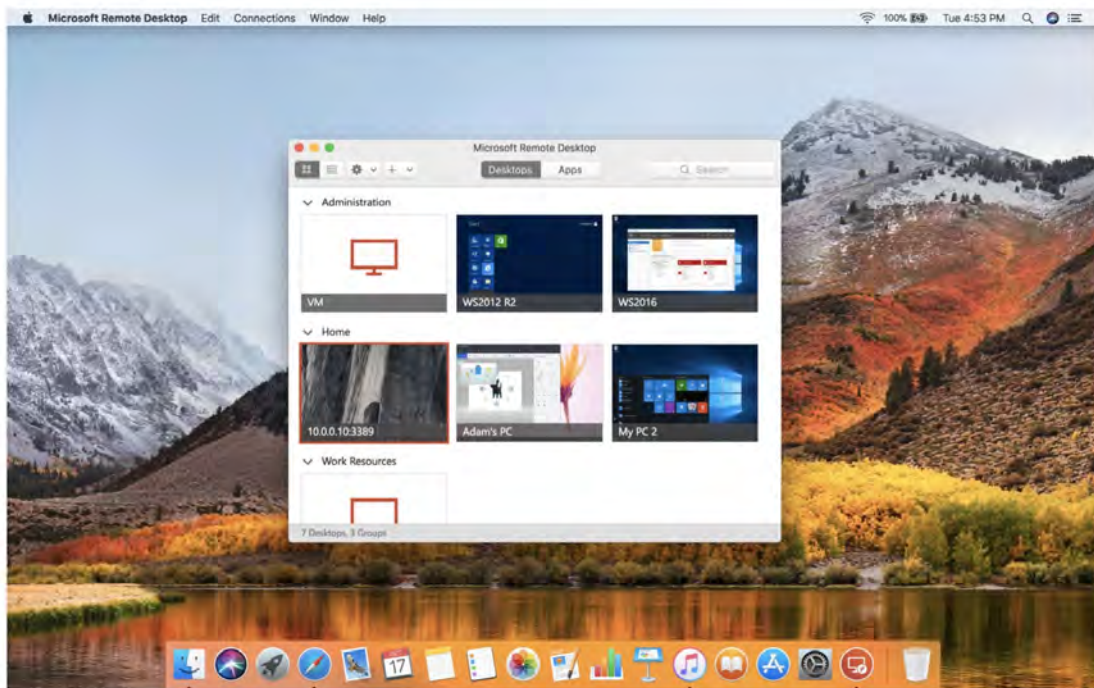

Configure your PC for remote access first by download the Remote Desktop assistant to your PC and let it do the work for you:...
